Principal’s Message

Here we are at the end of Term 1, and already we have achieved so much within our classrooms. Our kindergarten class has settled into primary school beautifully; there have been across the board improvements in literacy and numeracy; all students have been learning to cook with Ms Littlewood and Glenn; and the TPS choir is sounding better than ever!

But, we can’t rest on our laurels, and already have big plans for Term 2, including a Leadership Camp for years 5 and 6, our display for the Goondiwindi Regional Show, Sorry Day commemorations, and NAIDOC week celebrations. Term 2 begins on Tuesday, April 21st.

Finally, I would like to acknowledge the special contribution made to our school by Aunty Georgie. Sadly for us, Aunty Georgie has made the decision to retire. While this is a great loss for our school, we must remember the many ways in which the lives of students and staff have been enriched by her presence. So long, Aunty Georgie. We know we will see you again, it just won’t be often enough!

Stay safe throughout the holidays, and have a wonderful Easter!

Marg Sloan
Principal
Farewell, Aunty Georgie!

After contributing to our school community for two decades, it is with great sadness that we bid farewell to Aunty Georgie. Each week she appears at our school with a beautiful smile on her face and the generosity to volunteer her time for the students of Toomelah Public School.

Of course, we all know that Aunty Georgie has done much more for our school, students, and community than simply teach scripture. Within the TPS community she is a pillar of kindness, warmth, and love, and occupies a special place in the lives of staff and students. It is no exaggeration to say that her shoes are unfillable.

Fortunately, staff and students had the opportunity to share a final morning tea with Aunty Georgie, and were pleased to present her with some special gifts in recognition of the contribution she has made to the lives of so many. In recognition of the healing work done by Aunty Georgie, a Eurah tree was also planted in the school’s front garden. This will soon be accompanied by a plaque that acknowledges the impact Aunty Georgie’s has had at Toomelah Public School.

So, to Aunty Georgie we say: thank you. We love you, and look forward to seeing you at our school again soon.
WH&S footwear policy

Parents are advised that changes to the Department of Education and Communities’ WH&S policy means that sandals and open shoes are inappropriate footwear for students. Students who do not wear enclosed shoes may miss out on some classroom activities (e.g. cooking) and be provided with alternative work until they have access to more appropriate shoes.
